About your issue

Triage rules test has been created.

About your issue

Organizations have specific rules for what type of cases they take. We collect information about your case so that we can refer you to the best organization.

A local legal aid organization may be able to help you if you qualify for help. To evaluate whether you may qualify, we need to gather some information about your case, income, and personal information.

What organization are you referring client to?

A Safe Place

Can you refer the client online?

Client consents to the referring organization and the referral organization exchanging limited information about the client's issue(s).

- No
- Yes

Does client have a related court date scheduled within the next 2 days?
